

# CONSUMABLE EQUIPMENT FOR CCHD SCREENING REPLACEMENT PROGRAM – MIDWIFERY PRACTICES

Thank you for your ongoing frontline commitment to promoting healthy starts for Ontario babies. Each year, NSO is able to provide some support for the replacement of consumables used for CCHD screening, specifically for sensors and wraps. Both reusable and disposable sensor options will be available.

For each pulse oximeter that NSO allocated to your practice group, we can provide one replacement reusable sensor and a supply of wraps for your practice group. Wraps come in boxes of 100, so we ask that the boxes be shared and distributed among midwives in your group. Alternatively, we could provide one box of disposable sensors (24 included) for each pulse oximeter.

Midwifery practices are **asked to place a single order for their CCHD supplies once per fiscal year** (April – March). Please note that orders for each fiscal year must be received by **March 1<sup>st</sup>** to allow for processing time.

### **Ordering instructions for CCHD screening supplies:**

Ordering is done through Stevens Medical Supplies who can be reached as follows:

Many practice groups are now opting for reusable sensors as they are more cost effective, however, you have the option to choose disposable if you prefer. The product codes are shown below.

### **Option 1: Reusable sensors and wraps**

Manufacturer	Product Code	Description	Unit Price
Covidien	D-YS	Dura-Y Sensor Universal Adult Neonatal Sensor	\$0.00
Covidien	OXI-AN	Adult Neonatal Sensor <3kg/>40kg  <u>*Note this sensor is not as universal as the D-YS probe in terms of fit for newborns</u>	\$0.00
Covidien	ADH-A/N	Oxiband adhesive wraps (100/box)	\$0.00
Covidien	FOAM- A/N	Foam adhesive wraps (100/box)	\$0.00

**Option 2: Disposable sensors**

You can choose between 2 sizes, though in most cases the MAXN is the best fit.

<b>Manufacturer</b>	<b>Product Code</b>	<b>Description</b>	<b>Unit Price</b>
Covidien	MAXN	Neo Oxy Sensor (Disposable, 24/box)	\$0.00
Covidien	MAXI	Infant Oxy Sensor (Disposable, 24/box)	\$0.00
