

## Bulletin #83

### September 16, 2014

Newborn Screening Ontario (NSO) is presenting a telehealth session to celebrate Newborn Screening Awareness Month on **Tuesday, September 23 at 12:00-1:00pm (EST)**.

#### **Title: Newborn Screening by the Numbers**

Presenter: Ms. Sari Zelenietz, MSc, CGC, CCGC

- Objectives:
- Review of the newborn screening system
  - Highlight Ontario's newborn screening success
  - What's new in newborn screening in Ontario

To register, have the Telemedicine contact in your institution click on the link below:

<https://schedule.otn.ca/tsm/portal/nonclinical/details.do?request.requestId=38184535>

#### **Live Webcast Option:**

For your convenience, we have added the option of viewing each presentation as a live webcast from your computer. Go to the Ontario Telemedicine Network website live events page at <http://webcast.otn.ca/liveevents.html> on the appropriate date and time of the presentation you want to see. Then select the title of the desired presentation. Prior to viewing a session, it is recommended that you verify if your computer meets minimum requirements. The webcasts will be recorded and accessible from the public archives of the Ontario Telemedicine Network website at <http://webcast.otn.ca/archives.html> about one week later.

#### **Telemedicine Coordinators:**

If you are unable to self-register your studio, please contact your regional OTN scheduling office at [scheduling@otn.ca](mailto:scheduling@otn.ca) and provide your site and system information.
